DETAILS OF AMENDMENTS

Please amend the subject application as follows:

IN THE SPECIFICATION

Page 2, rewrite the paragraph starting at line 24 to read as follows.

As shown in FIG. 3, the length-to-width ratio of the tubes ~~12~~6 that make up the honeycomb cannot exceed the length-to-width ratio of the FOV 13 of the optical device to which it is fitted. In this way, the anti-reflection shield does not restrict field of view seen through the optical device.
